July – September 2016

Singapore, November 1, 2016:

Another successful employment of EIMag system onboard a tanker

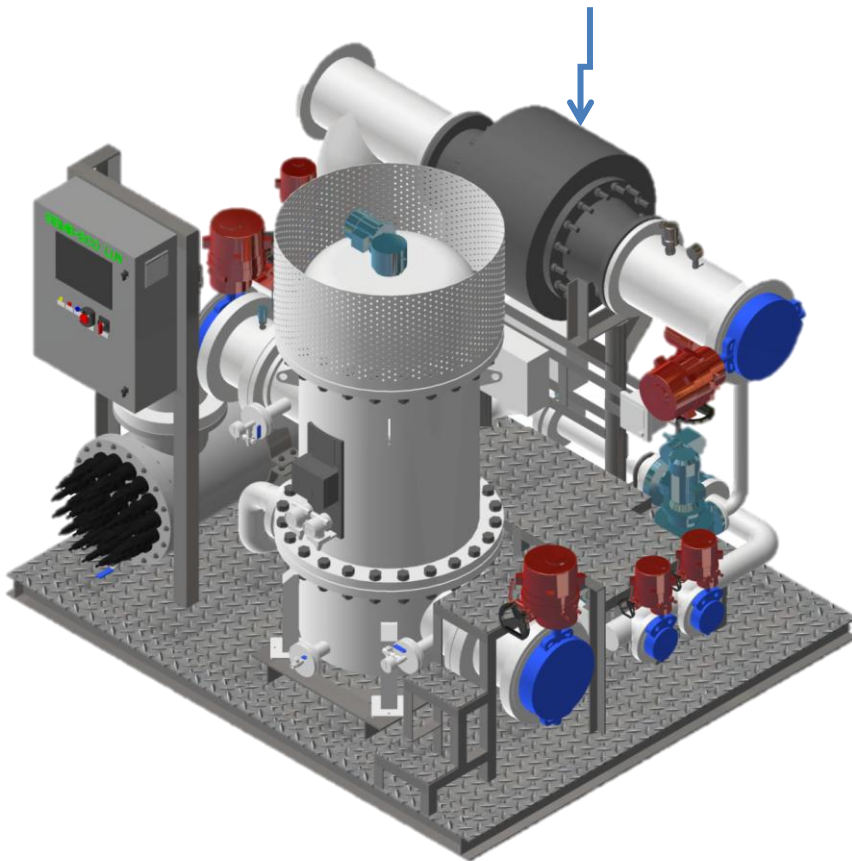

The exceptional performance of Ecospec EIMag corrosion protection system onboard the Aframax tanker for over 3 years has led to the order of this 2nd system in the fleet wide implementation of EIMag by the owner.

Semb-Eco ballast water treatment system type approved

The Ecospec Biofouling Control is one critical component of the Semb-Eco ballast water treatment system. The Semb-Eco system has been IMO type approved by the Maritime and Port Authority of Singapore in July 2016.

Biofouling Control

Ecospec at the SMM show

Ecospec participated in the SMM show held in Hamburg, between 6th and 9th September
